

Premiers 1922/23 – 1964/65

What is now the Diamond Valley Cricket Association had its beginnings in just four teams. From the first season, over the summer of 1922/23, to the 5th season of 1927/28, they played in a single grade, with no classification. From the season of 1928/29 this was called A Grade.

In the years following World War II the numbers of players increased. By 1952/53 there were enough players and teams to create the first B Grade.
