

Umpires Wanted

Want the best seat in the house ?

The Diamond Valley Cricket Umpires Association is always on the lookout for new members particularly those who have played the game but have now decided for whatever reason not to continue playing. In recent years we have been well supported by a number of ex-players who have continued their involvement in the game by joining the DVCA Umpires Association.

Senior umpire's payments can range between \$160 - \$180 per day depending on the type of fixture and involves a commitment of around 6 hours on a Saturday. There are also opportunities to umpire mid-week T20 matches, Friday evenings (Juniors) as well as Saturday & Sunday cricket.

Some umpires can earn up to **\$450 (CASH)** per week.
