

DVCA Covid Playing Conditions

The DVCA has now relaxed its playing conditions for players who now contract the COVID19 virus.

Should a player's health enable them to participate, they may now do so under the following conditions.

- Player must advise both the opposition and the Umpires in advance of match starting or recommencing on Day 2
- Player must not congregate in the rooms either,
 - Before the match
 - During the Tea Break
 - At the conclusion of the match
- Player must also take reasonable precautions to isolate himself / herself from team mates while the player's team is batting.

These new arrangements will take effect on Wednesday 8th March 2023.
